Dear Mr Garrison

Thanks for the Transcript - In reading the letter - I wished it had been in The Tribune - for a larger circulation and a wider influence. But I have just glanced at my Semi Weekly T. and see you have sent a letter there - which I have not yet read. I am convinced that we are to have all that turmoil in Congress and the country over again — not the War — and it all comes from the unwisdom of the way in which reconstruction was Conceived - begun and Carried out - "Conciliation" is impossible - I know the South well - and the hate of the north there is as rancorous and well nigh as universal - as of the Christians - by the Turks - or say - as of the English by the Irish - and that's like nitric acid! It is the great point to spread all through the north correct information on this - Truly yr. Neal Dow
